Directions to the Steamboat Lake Sprint Triathlon

From Steamboat Springs: From Steamboat Springs go west two miles on U.S. 40 to County Road 129 (also called Elk River Road). Turn north and drive 25 miles. Steamboat Lake will be on your left hand side. Continue on CR 129 past the Steamboat Lake Visitors Center and turn left onto CR 62 following signs to the marina. The entrance to the Steamboat Lake Marina will be on your left (2nd left after you turn onto CR 62, if you hit the dirt road you've gone too far)

VITAL PARKING NOTICE: There is no parking inside the state park/marina. Race day parking will begin after the marina parking lot entrance along the road. Please park in the direction of normal traffic along the right hand side of the road. Please stay as far right on the shoulder as possible, do not block any driveways, and be respectful of the surrounding area. For packet pickup on Saturday you will be allowed to park inside the marina parking lot.

Packet Pickup Parking (Saturday): You will be allowed to enter/exit the marina parking lot for free with the attached parking pass located on the last page of this Athlete Guide. Please display this parking pass on your dashboard and present it to the gate attendant when entering the park.

SPECTATORS:

It is highly recommended that spectators arrive with the athlete on race day. Due to the athletes racing causing the police to temporarily close roads spectators arriving after 7:45am on Sunday will most likely be delayed and/or turned around. If arriving after 7:45am please use the alternate route listed here. Please note this will add approximately 20-25 additional minutes to the trip and the route is along a dirt road.

PLEASE BE CAREFUL WHEN DRIVING IN THE AREA AS ATHLETES WILL BE WARMING UP AND WALKING ALONG THE ROADS!

Important Details Prior to Arriving

Each Participant **MUST** have both a photo ID and an annual USAT License (or purchase a one day license at packet pickup (See USAT section below for details))

If you do not have an ID you **WILL NOT** be given your race packet.

Each participant must be present to pick up their race number/packet. You will not be allowed to pick up another participants packet.

****PLEASE NOTE: NO EXCEPTIONS WILL BE MADE****

Important Details for Registration & Packet Pickup

- 1) You must pick up your packet on either Saturday between 2PM-5PM or the morning of the race between 6:00am-7:15am. We suggest you pick up your packet the day prior to the race so you're not rushed on race morning
- 2) You must have a photo ID and a valid USAT Triathlon Card (or one day license) We cannot release your packet to you without a valid Photo ID, no exceptions
- 3) USAT License: If you are an annual USAT Member you must bring your valid USAT card with you at packet pickup. If this is expired you will be required to purchase a one day license for \$15 (Cash & Check only accepted)
- 4) One-Day USAT License: If you are not an annual USAT Member you must purchase the one day license at the time of packet pickup (Cash & Check only accepted)

MUST READ!!! *USAT NOTE*****

If you registered using the RDS online registration system and you are not an annual member then you already purchased the one day license and the only thing you need to bring is a Photo ID to packet pickup. If you registered using the PDF mail in registration form some of you already included your \$15 fee for the USAT One-Day License, and you'll just need your Photo ID. If you did not include this fee in your mail in registration your registration has been notated and the volunteers at Packet Pickup will notify you that you must pay the required \$12 in order to proceed with picking up your packets (Cash & Check only accepted). Again if you are not an annual USAT Member then there is nothing regarding a USAT License to bring with you, just bring your PHOTO ID, and an extra \$15 just

This is a list of the packet pickup procedures to ensure a quick & easy process for you & all the athletes as well as to ensure that there are no surprises come race day.

- 1) Ensure you have a Photo ID & Valid USAT Card (if applicable) with you prior to your arrival. If you're not an annual USAT Member bring an extra \$15 just to be safe.
- 2) Upon arrival there will be a registration tent with a black Without Limits Productions Registration Flag showing, go to this tent first.
- 3) Present your Photo ID and valid USAT Card (If applicable) to the registration volunteer. If you need to sign a waiver or still owe \$15 for the annual one-day license, you will handle it right there.
- 4) Once you have your race number packet, which contains a swim cap (with your corresponding Swim Wave # assignment), then proceed to the T-shirt/Goodie Bag pickup right next to the race # packet pickup.
- 5) Present your race # packet to the T-shirt volunteer as it will show what size T-shirt you ordered. Collect your T-shirt & Goodie Bag and you're all done.
Note, you will not be able to switch T-shirt sizes until AFTER the race. What you ordered is what you will get. Swaps can be made after the race on race day only, as this is to ensure everyone receives the T-shirt that was ordered, and that any extras will then be used to swap out sizes.

Race Number Instructions: Your race packet will contain 2 #'s & a Swim Cap.

- 1) Bike Frame #: The 1st will be a bike frame number and has either self-adhesive strips on the back of it or twist ties. Place this on your bike frame.
- 2) Running Bib #: The 2nd # will be the Road ID run #. Affix this to a race belt, t-shirt, shorts, or running skirt. It must be showing on the front of your person as you cross the finish line.
- 3) Timing Chip: The timing chip is affixed to an ankle strap. Affix this to your left ankle prior to the swim, and leave it on for the entirety of the event. A volunteer will collect it from you at the finish line. If you're wearing a wetsuit affix the ankle strap so it is underneath your wetsuit so it will not tear off when you take your wetsuit off.
- 4) Bring your race # to the timing chip tent to pick up your timing chip on race morning. Timing Chips will only be handed out on race morning.
- 5) A swim cap will also be provided for you at packet pickup and must be worn during the swim portion of the event.
